1. Cookies Explained

Cookies are small text files that are stored by your bowser on your computer or mobile phone. They allow websites to store, for example, your operating preferences or login details, allowing these websites to recognise you and respond appropriately when you navigate through various pages.

2. Our Use of Cookies

When you visit any page of our Site, any of the following cookies may be generated: (a) site performance cookies; and/or (b) anonymous analytics cookies; and/or (c) geotargetting cookies; and/or (d) registration cookies. Each type of cookie and its usage is explained below

3. Site Performance Cookies

This type of cookie is used to remember your specific operating preferences for tools found on our site so that you don't have to reset them each time you visit. These cookies affect various settings such as, volume settings when playing back media and video streaming speeds that are compatible with your operating system, amongst other things.

4. Anonymous Analytics Cookies

This type of cookie is used to tell us whether or not you have visited our Site and/or specific page before. It allows us to track how many individual users we have and how often they visit our Site. We use these cookies to generate statistics about our Site. Your bowser will tell us whether you already have theses cookies and if you don't, new ones will be generated. If you do not have, or are not signed into your account, these cookies cannot identify you as a specific user. If you are signed in, then these cookies will also let us know who you are, using information you have submitted to us during registration such as your username.

5. Geotargetting Cookies

This type of cookie is used to try and ascertain what country you are in from information provided by your browser when you click on our Site. This cookie is completely anonymous and we only use it to help target content, for example, showing you Partner Content Subscription options from your country.

6. Registration Cookies

This type of cookie lets us know whether you are signed in or not. It also allows us to identify your account and which content you are allowed access to.

7. Turning Cookies Off

IT IS USUALLY POSSIBLE TO STOP YOUR BROWSER ACCEPTING COOKIES FROM ALL, OR SPECIFIC WEBSITES. IF YOU CHOOSE TO TURN OFF COOKIES THEN WE WILL NOT BE ABLE TO TELL WHETHER YOU ARE SIGNED IN OR NOT AND AS SUCH YOU MAY BE UNABLE TO ACCESS CONTENT AND/OR SUBSCRIPTIONS.
